- The Science of Influence & Collaboration

One of the greatest rewards of what I do is watching resistance melt away — and seeing the “ahhh...yes!” happen. I offer programs, keynotes, and speaking engagements, focused on key concepts and tools from my Spiral Impact® approach to conflict mastery. I get people out of their seats and experiencing how power can be delivered with grace — and get results!

My programs are designed flexibly to scale for large events or small internal groups who are seeking ways to work more productively and creatively with conflict. - Karen

“

Karen is charismatic and insightful in an unassuming way that frames discussions about conflict in a refreshing light. Working with Karen is as easy as spiraling your organization into the future with the help of a friend.

“

“Karen’s keynote roused a room full of people in just the right way after a very full week. We so appreciated her light yet upbeat style and the hands-on ways she illustrated her points. The principles, concise process, and examples were easily applied to our work.” Roger Frick, United Way Great River’s Conference
